our lesson is

Place value

Once upon a time there were three houses

H T O

And the value of each 5

Each 5 will go to its place

H T O

555

500 50 5

Can you tell me what is the difference between

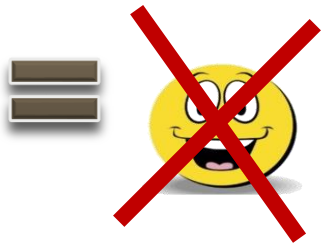
value and place value ?

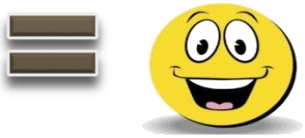
Hi, my friend what is your address?

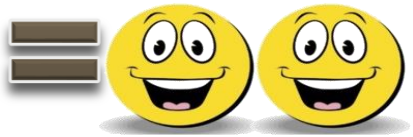
So

The value
(phone number)
Means
numbers

The place value
(address)
Means
word







Let us remember with each other

My place is hundreds
My place is tens
My place is ones
6 4 2
And my value is 600
And my value is 40
And my value is 2

* Write the place value – value for digit 6 in the following:

	Place value	value
586	Ones	6
689	Hundred	600
464	Tens	60
126	Ones	6

Thank You
