The image shows a web form titled "Enter Your Details for Exercise Recommendations" set against a blue background with a white ECG line and a large red heart. The form is a white rounded rectangle containing several input fields and a blue submit button. The ECG line starts on the left, rises to a peak, falls to a trough, rises to a smaller peak, and then levels out. A large, semi-transparent red heart is positioned behind the form, with the ECG line passing through it. The background also features a faint image of a road or path leading towards the horizon.
