Logo Elements

Repeated "t" in a Circular Shape:

Symbolism: The repetition of the letter "t" in a circular shape represents the repetitive processes and activities in the trading field.

Technology: The circular shape suggests artificial intelligence and advanced technology that the company relies on for its daily operations.

Sharp Angles

Symbolism: The sharp angles in the logo symbolize arrows and trading, reflecting the nature of the company's activities in the financial markets.

Interpretation:

The logo, featuring a repeated "t" in a circular pattern, suggests dynamism and continuity. It reflects the company's use of technology and artificial intelligence, enhancing its modern image. The sharp angles symbolize trading and stocks, embodying the company's spirit in the financial market.
